Section 2. Application of Declaration. The Property shall be held, transferred, sold, conveyed and occupied subject to the terms and conditions of this Declaration, and any and all supplements and lawful amendments hereto and any and all supplements and lawful amendments thereto. By receipt of delivery of a deed to any of the Property or other instrument evidencing

ownership, whether or not it shall be so expressed in any such deed or other conveyance or adjudication, each Owner hereby agrees to abide by and accept title to such portion of the Property and all terms and provisions of this Declaration. The filing of this Declaration and subjecting the Property to the covenants, conditions, restrictions, reservations, easements, liens and charges contained herein shall not be construed in any way as inhibiting or prohibiting the Declarant from conveying the Lots or improvements within the Property to third parties free and clear of any covenants, conditions, restrictions, reservations, easements, liens and charges, except for those specifically provided for in this Declaration. Lots so conveyed by the Declarant to third parties shall be used and held by said third parties in accordance with this Declaration.

Section 3. Additional Property. Additional property may become subject to this Declaration or be withdrawn from the terms of this Declaration in the following manner:

(a) Annexation Without Approval of Class "A" Membership. As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege and option, from time to time at any time to annex, subject to the provisions of this Declaration and the jurisdiction of the Association, all or any portion of the real property described in a Supplemental Declaration. Such Supplemental Declaration shall not require the consent of the Members. Any such annexation shall be effective upon the filing of record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other person said right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transfer or assignment is memorialized in a written, recorded instrument executed by Declarant.

(b) Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, after the expiration of the Class B Membership the Association may annex additional real property to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of not less than sixty-seven (67%) percent of the Class "A" Members of the Association. Annexation shall be accomplished by filing of record in the public records of the County, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by an authorized officer of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section and to ascertain the presence of a quorum at such meeting.

(c) Acquisition of Additional Common Area. The Master Developer, CDD, or Declarant may convey to the Association additional real property, or any interest therein, improved or unimproved, and upon conveyance or dedication to the Association the same shall be accepted by the Association and thereafter shall be maintained by the Association at its expense as a Common Area for the benefit of all of its Members. Annexation of additional property or future development phases of the Community, if annexed herein, may result in additional Common Areas being owned and maintained by the Association and conveyance of Common Areas therein shall not require the consent of any other Owner or Builder.

Declarant shall be entitled to withdraw portions of the Property owned by Declarant from the terms and conditions of this Declaration, subject to the terms and conditions of this Section. For purposes of this Declaration, the portion of the Property withdrawn from the terms hereof shall be referred to as the "Withdrawn Property." In order to withdraw such portion of the Property from the terms of this Declaration, Declarant shall record in the Public Records of the County an instrument executed with the formalities of a Deed, which instrument shall make reference to this Declaration, state that the purpose of the instrument is to withdraw the Withdrawn Property from the terms and conditions of this Declaration, and contain a legal description of the Withdrawn Property. Notwithstanding the foregoing, the Declarant shall be required to obtain the consent of the Master Developer to withdraw Property from the Declaration if at the time of such withdrawal the Master Developer is in control of the Master Association. Upon the withdrawal of the Withdrawn Property from the terms and conditions of this Declaration, the Withdrawn Property shall no longer be subject to the terms of this Declaration, including all exhibits hereto, or any other covenants, restrictions and/or regulations provided herein or adopted hereunder, except for those easements, rights-of-way, or other portions hereof which, by their terms, specifically survive the termination of this Declaration, which shall include the withdrawal of such lands from the terms and conditions of this Declaration.

(e) Amendment. This Article II, Section 3 shall not be amended without the prior written consent of Declarant, during the Development Period or so long as the Declarant holds Lots for sale in the ordinary course of business.

Section 4. Master Association. By taking title to a Lot in the Community, each Owner becomes subject to the terms and conditions of the Master Declaration. Master Assessments may also be used for expenses related to the Surface Water or Stormwater Management System. The amount of Master Assessments due to the Master Association is set by the Board of Directors of the Master Association and such Master Assessments are allocated among all Lots and other property encumbered by the Master Declaration pursuant to the terms thereof. The Master Association has lien rights securing each Owner's obligation to pay Master Assessments under the terms the Master Declaration. Such Master Assessments shall be paid directly to the Master Association from each Owner.

Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot which is subject to the covenants, conditions, restrictions, reservations, easements, liens and charges, of this Declaration, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership for each Lot owned. Membership shall be appurtenant to a Lot and may not be separated from ownership of the Lot. Ownership of a Lot shall be the sole qualification for membership. The Owner of record of each Lot shall be subject to assessment by the Association, as hereinafter provided, and shall be subject to enforcement by the Association in accordance with the terms and provisions of this Declaration.

### ARTICLE IV

#### VOTING RIGHTS

The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be those Owners defined in Article III with the exception of the Declarant until the expiration of the Class B Membership. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Article III. When more than one (1) person or entity holds such interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant, its successors and assigns. The Class B member shall be entitled to three (3) votes for each Class A Member vote, provided that the Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier, unless or as otherwise required by Florida law:

- (b) Thirty (30) days after Declarant elects to terminate the Class B Membership; or
- (c) As otherwise required by Florida law.

Upon the conversion of the Class B membership to Class A membership, the Declarant shall be entitled to one vote for each Lot they own in the same manner as all other Class A Members.

## ARTICLE V

### PROPERTY RIGHTS

Section 1. Membership Easements of Enjoyment. Every Member shall have a right and easement of enjoyment in and to the non-exclusive use of the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles of Incorporation and Bylaws, to borrow money for the purpose of improving the Common Area, and in aid thereof, to mortgage said Common Area, provided, the rights of such mortgagee in said Common Area shall be subordinate to the rights of the Owners hereunder. The right to mortgage the Common Area provided herein shall not become effective until a Home has been constructed upon each Lot within the Property and each Lot has been conveyed from the Declarant to a purchaser. No such rights to mortgage shall be effective unless approved by a vote of two-thirds (2/3rds) of the Members at a duly noticed meeting for the purpose of approving such mortgage.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes, and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless approved by a vote of two-thirds (2/3rds) of the Members at a duly noticed meeting and the vote of the Class B membership, if any, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than thirty (30) days nor more than sixty (60) days in advance of the duly called meeting at which the vote on such dedication or transfer is held;

(c) The right of the Declarant or the Association to establish, from time to time, certain easements over the Common Area for utilities, broadband communications, cable television and other common services purposes;

(d) The right of the Association to charge reasonable fees for the use of designated facilities (if any) on the Common Area and to temporarily close facilities for repair or maintenance;

(f) Easements referred to in Article X hereof;

(g) The right to the use and enjoyment of the Common Area and facilities thereon, once construction has been completed, shall extend to all Members and their family, tenants, contract purchasers and invited guests, provided there is delegation of the right of enjoyment in accordance with the Bylaws and subject to regulation from time to time by the Association in its Rules;

(h) Access to certain Common Area within the Property may not be obtained from an Owner's or Member's Lot or other Common Area or publicly dedicated streets or properties. Thus, to obtain access to certain Common Area for which access cannot be obtained from the Owner's or Member's Lot, other Common Area or publicly dedicated streets or properties, the Owner or Member shall need to obtain the permission of a Lot Owner whose Lot is contiguous to said Common Area. The fact that a Member or Owner shall not have access to certain Common Area from his or her Lot, Common Area or publicly dedicated streets or properties does not allow an Owner to avoid liability for assessments provided for in Article VI of this Declaration; and

(i) The other provisions of this Declaration, the Articles and Bylaws.

## Section 2. Common Area.

(a) Ownership. The Declarant hereby represents that the fee simple title to the Common Area has been or will be conveyed to the Association and the Association shall maintain the Common Area. In addition, any easement granted in favor of the Association shall be maintained by the Association in accordance with the terms of any such grant or dedication as if such easements were Common Areas; provided, however, the use and enjoyment of such easements shall be limited to the purpose for which they were intended. The Association shall be obligated to accept conveyance of any Common Areas or grants of easements from the Declarant or third parties as deemed necessary or advisable by the Declarant. The Association shall have the right to promulgate rules and regulations for the use of Common Areas and such restrictions shall be enforceable against all Owners and their guests, tenants and invitees.

(b) Maintenance. Except as otherwise set forth in the Master Declaration, the Association shall be responsible for the maintenance of the Common Areas in a continuous and satisfactory manner in good order, condition, and repair. In addition, the Association shall replace as scheduled any and all improvements situated on the Common Areas (upon completion of construction by Declarant), including, but not limited to, all landscaping, paving (excluding the rights of way owned and maintained by the Master Association or CDD), drainage structures, street lighting fixtures, signs, irrigation systems, water management systems, sidewalks, and other structures, including entry features, perimeter fences, gates or signage installed by the Declaration or Association, but excepting any public utilities and municipal or County improvements and excluding the property or other areas owned and maintained by the Master Association or CDD. The Association shall be authorized, but not required, to provide other services and to make emergency repairs and perform other work on Lots reasonably necessary for the proper maintenance and operation of the Community and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through Assessments as provided in this Declaration; provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the failure of an Owner to comply with the lawfully adopted rules and regulations of the Association shall be levied as an Individual Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas.

(c) Optional Services. The Association shall be authorized, but not required, to provide other services, such as installation and maintenance of entry features, the employment of stationary or patrolling guards within the Community, party wall or other services for maintenance or repair of the townhome structures, and performing emergency repairs and other work on Lots reasonably necessary for the proper maintenance and operation of the Community, including, but not limited to party wall repairs, and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through Assessments as provided in this Declaration; provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the failure of an Owner to comply with the lawfully adopted rules and regulations of the Association shall be levied as an Individual Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the Assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas.

(d) Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable Rules governing the Common Areas, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines levied in accordance with the Declaration and applicable law and suspension of the right to vote. The Board of Directors shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided herein and in the Bylaws of the Association.

Section 3. Declarant's Reserved Rights. Notwithstanding any provision herein to the contrary, the property rights under this Article V shall be subject to:

(a) The right of Declarant to execute all documents and take such actions and do such acts affecting the Property or the Common Area which, in the Declarant's sole discretion, are desirable or necessary to facilitate the Declarant's development, construction, sales and marketing of the Property. However, nothing contained herein shall authorize Declarant to take any action that will diminish the rights of any lienholder or the holder of any mortgage on any Lot or on the Common Area; take any action that will affect title to any of the Lots after conveyance to third parties; or unilaterally change the Declaration, Articles, Bylaws and Rules in violation of Chapter 720, Florida Statutes, after the Class B Membership has terminated;

(b) Easements of record on the date hereof and any easements which may hereafter be granted by Declarant, Master Developer or CDD to any public or private utilities or governmental bodies for the installation and maintenance of cable television, electrical and telephone conduit and lines, sewers or water pipes, or any other utilities or services to any Lots within the Property or any portion of the Common Area or such easements as Declarant may determine are necessary or beneficial for the maintenance or preservation of the Property;

(c) The Declarant shall have full rights of ingress and egress to and through, and over and about the Property, including all Common Areas, during the Development Period and such additional period of time as Declarant is engaged in any development, construction or improvement work, sales, leasing or marketing of the Community on or within the Property, and the Declarant shall further have an easement thereon for the purpose of storage of materials,

vehicles, tools, equipment, etc., which are being utilized in such development or construction and for the use and maintenance of signs, banners, and the like being used in connection with the sale or promotion of the Property, or any portion thereof. The Declarant shall further have the right to operate and maintain models, sales centers and leasing offices and to operate and open gates and access to the Community to facilitate sales and marketing of the Community in Declarant's sole and absolute discretion during the Development Period and such additional period of time as Declarant is engaged in any construction or improvement work, sales, leasing or marketing of the Community or within the Property. No Owner, his guests, employees, servants, agents and invitees shall in any way interfere or hamper Declarant, its agents, servants, employees, invitees, successors or assigns, or Builders, its agents, employees, or invitees in connection with such construction, development, promotion or sales activity; and

(d) The Declarant shall have full right to assign any or all of its right, title and interest in the Property, both as Declarant and as a Member of the Association, to another party by the execution and recording of a proper instrument in the Public Records of the County. This provision shall not, however, be construed to allow Declarant to assign a membership in the Association in a transaction separate from ownership of a Lot. Notwithstanding the foregoing, the Declarant, in its sole discretion, shall also have the right to grant a Builder certain rights reserved hereunder to the Declarant for the purpose of constructing Homes in the Community and conducting construction, sales and marketing thereof by executing a partial, non-exclusive assignment of rights in favor of the Builder to be kept in the official records of the Association.

(e) Notwithstanding anything contained herein to the contrary, neither the Declarant, nor the Builders, nor the Association makes any representation whatsoever as to the commencement, completion or construction of any optional or recreational facilities within or upon the Common Areas. Title to any portion of the Common Areas owned by Declarant may be transferred to the Association at any time, provided that title to all portions of the Common Areas owned by Declarant shall be transferred to the Association no later than the expiration of the Development Period. The transfer of title to any portion of the Common Areas to the Association shall be subject to: (i) all rights of Declarant and other persons set forth in this Declaration; and (ii) any restrictions or limitations contained in the instrument conveying such portion to the Association.

Section 4. No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area for use by the public, except for access to and from and throughout the property described in the Plat or any additions thereto for emergency access, law enforcement and persons providing essential services to the Community and its Members.

Section 5. Incorporation of Easements by Reference. Reference in the respective deeds of conveyance, or any mortgage or trust deeds or other evidence of obligation, to the easements and covenants herein described shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees or trustees of said parcels as fully and completely as though said easements and covenants were fully recited and set forth in their entirety in such documents.

Section 6. Surface Water Management. It is acknowledged that the Property is located within the boundaries of the WMD and that an easement is hereby created over the entire Property for the surface water drainage and storage, and for the installation and maintenance of the Surface Water and Stormwater Management System for the Property in accordance with the Permit; provided, however that such easement shall be subject to improvements constructed within the Property as permitted by controlling governmental authorities from time to time. The Surface Water and Stormwater Management System shall be operated and maintained by the CDD and/or Master Association or its agents, in compliance with all approvals, codes and regulations of governmental authorities and the WMD. Such operation and maintenance shall specifically include all utility costs and equipment related to the obligations hereunder. Maintenance of the Surface Water and Stormwater Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the WMD and shall specifically include, but not be limited to, maintenance of aquatic vegetation, lake beds, lake banks, littoral planting and lake maintenance easements which, pursuant to the terms of this Declaration, are not the responsibility of others, as well as water quality and wetland monitoring or testing. Any repair or reconstruction of the Surface Water and Stormwater Management System shall be as permitted, or if modified, as approved, by the WMD.

## ARTICLE VI

### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments to be Paid to the Association. The Declarant, for each Lot owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance (including any purchaser at a judicial sale), is deemed to covenant, which covenant shall run with the land and be binding on every Owner, and agrees to pay to the Association: (1) any regular assessments or charges for the payment of operating expenses of the Association (including payment of property taxes which may be assessed against Common Area or any personal property which may in the future be owned by the Association) ("Regular Assessments" or "Annual Assessments"); and (2) any special assessments for improvements, or to fund any deficits between the amount collected for regular assessments in accordance with the annual budget and the amount determined necessary by the Association for the proper management and maintenance of the Common Area, together with other costs and/or expenses levied or imposed against the Association or property of the Association ("Special Assessments"); and (3) any individual assessments or charges incurred by the Association on behalf of one or more Lots but not all Lots ("Individual Assessments"). All such Regular Assessments, Special Assessments and Individual Assessments, collectively referred to as Assessments, shall be fixed, established and collected from time to time as hereinafter provided. In addition to the foregoing Assessments, each Owner shall also be obligated to pay all any master assessments due from the Owners in the Community under the Master Declaration ("Master Assessments") to the Master Association. The Assessments, together with such interest thereon and costs of collection thereof, including attorney's fees, as hereinafter provided and any applicable late fee imposed by the Board of Directors of the Association, shall be a charge on the Property and shall be a *continuing lien* relating back to the

date of recordation of the Declaration upon any Lot against which each such assessment is made, and said lien may be enforced in the same manner in which mortgages are enforced. Each such assessment, together with interest, costs (including applicable late fees), and reasonable attorneys' fees for its collection, including attorneys' fees involved at all appellate levels and whether or not suit is instituted, shall also be the personal obligation of the person or entity who was the Owner of the Lot at the time when the assessment becomes due. Each Owner shall be jointly and severally responsible with the previous Owner for all Assessments due to the Association prior to the transfer of title, without prejudice to any right the present Owner may have to recover any amounts paid by the present Owner from the previous Owner. The Master Association has rights to collect and remedies for failure of an Owner to remit Master Assessment as set forth in the Master Declaration, including the right to lien Lots and foreclose such lien in the same manner as a mortgage.

Section 2. Purpose of Assessments. The Assessments to be levied by the Association shall be used for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Property and shall specifically include, but not limited to: payment of all water or utility charges for the Lots and/or Common Area billed through the master meter (if any) or to the Association; any fees due under a bulk service agreement entered into on behalf of the Owners by the Association or Declarant; the maintenance of the Common Area and any improvements or equipment maintained by the Association; the payment of taxes and insurance for the Common Area; payment for the improvement and maintenance of the Common Area; and services and facilities related to the use and enjoyment of the Common Area. Special Assessments shall be used to fund capital improvements, deficits in the collection of Regular Assessments to cover operating expenses of the Association, and other purposes deemed necessary by a majority vote of Owners of the Association as set forth in Section 5 hereof. Individual Assessments shall be for the costs incurred by the Association which by nature are applicable only to one or more Lots, but less than all Lots. By way of example and not limitation, in the event an Owner fails to maintain their Lot in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents, shall be an Individual Assessment charged against the Lot.

Section 3. Basis of Annual Assessments. For the initial year of operation of the Association, the monthly Assessment shall be the amount as set forth in the estimated operating budget of the Association for the initial year of operation. From and after January of the next operating year, the Annual Assessment shall be determined in accordance with the Articles of Incorporation and Bylaws of the Association taking into account current maintenance costs and future needs of the Association. Each Owner acknowledges the Association is responsible for the repair and maintenance of capital improvements that may result in a Special Assessment due to reserves not being collected. If reserve accounts are not initially provided for by the Declarant, the Members of the Association may elect to collect reserves after the expiration of the Class B Membership upon the affirmative approval of a majority of the total voting interests of the Association obtained by a vote of the Members at a duly called meeting of the

membership or by the written consent of a majority of the total voting interests of the Association. The approval action of the membership must state that reserve accounts shall be provided for in the budget and must designate the components for which the reserve accounts are to be established. Upon approval by the membership, the Board of Directors shall include the required reserve accounts in the budget in the next fiscal year following the approval and each year thereafter. Once reserves are established as provided in this subsection, the reserve accounts must be maintained with the collection of the Annual Assessments or have their funding waived in the manner provided by Chapter 720, Florida Statutes. Notwithstanding the same, reserves will not be funded by the Declarant for the Lots Declarant owns so long as Declarant is funding any deficits in operating costs pursuant to Section 12 herein.

Section 4. Uniform Rate of Assessment. Unless otherwise provided for herein, both Annual and Special Assessments must be fixed at a uniform rate for all Lots with a Home and may be collected on an annual, quarterly or monthly basis or at any other interval as determined by the Board of Directors. Payments of all Assessments will be made directly to the Association or its designated management company and in no instance shall any mortgagees have the obligation to collect Assessments.

Section 5. Special Assessment for Capital Improvements. In addition to the Annual Assessment authorized above, the Association may levy in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, or to cover deficits in the collection of Regular Assessments to cover operating expenses of the Association; PROVIDED that any such Special Assessments shall have the assent of a majority of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.

Section 6. Quorum for Any Action Authorized Under Section 5. At each meeting called, as provided in Section 5 hereof, the presence of the meeting of Members or of proxies entitled to cast thirty percent (30%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, one additional meeting may be called, subject to the notice requirements set forth in Section 5 and the required quorum at any such subsequent meeting shall be one-half ( $\frac{1}{2}$ ) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot on the conveyance of the Lot and Home by the Declarant or a Builder to a third party purchaser. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto together with the due date of such Assessments established by the Board of Directors. The Board of Directors, if necessary to

insure cash flow, may institute reasonable late payment fees for any delinquent payment of the Annual Assessment. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A reasonable charge may be made by the Board of Directors or its agent for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within ten (10) days (or such other period of time established by the Board of Directors) after the due date, an administrative late fee of the greater of Twenty-Five and no/100 Dollars (\$25.00) or 5% of the amount of the installment that is past due, together with interest in an amount equal to the maximum rate per annum allowable by law beginning from the due date until paid in full may be levied. The Association, acting through its Board of Directors, may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot to which the Assessment is levied, and interest, costs and reasonable attorneys' fees, including at all appellate levels and whether or not suit is instituted, in collection or enforcement shall be added to the amount of such Assessment. Additionally, the Board of Directors of the Association may at its discretion accelerate the Assessments then due from a delinquent Owner for the next twelve (12) months. The Association may also notify any mortgagees or lenders of Owner, any co-borrowers and/or guarantor(s) without recourse to Declarant and/or the Association of delinquencies in the payment of Assessments. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot. All payments on accounts shall be first applied to fines levied in accordance with the terms of the Declaration, interest accrued by the Association, then to any administrative late fees, then to collection costs and attorney fees, and then to the delinquent Assessments. The allocation of payments described herein shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment. Additionally, if a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner may be collected by the Association and shall be credited to the monetary obligations of the Owner to the Association. If within fourteen (14) days from written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive credit for the prepaid rent for the applicable period of such prepaid rent.

Section 9. Individual Assessment Against a Particular Owner of Lot. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in accordance with the terms and conditions of the Governing Documents and any promulgated Rules in a manner satisfactory to the Board of Directors to a minimum standard of consistency with the general appearance of the Property as initially constructed and improved by the Declarant (taking into account normal wear and tear and exposure to normal exterior conditions, but not to the point of unsightliness), the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot, and the exterior of the buildings and any other

improvements erected thereon. The costs of such exterior maintenance performed on behalf of the Lot Owner by the Association may be assessed to the Lot as an Individual Assessment; and said Individual Assessment shall be enforced in the same manner as provided for in Section 8. In addition, in the event any Owner, its guests, tenants or invitees cause any damage to the Common Areas, including recreation facilities, landscaping, irrigation, sidewalks, or Surface or Storm Water Management Systems such Owner shall be responsible for the cost of any repairs required to correct such damage and the cost thereof may be assessed to the Lot Owner as an Individual Assessment.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be superior to all other liens except tax liens and the liens of any bona fide Institutional First Mortgage to an Institutional First Mortgagee recorded prior to any lien for Assessments by the Association; provided, however, that said mortgage liens are first liens against the property encumbered thereby, subject only to tax liens, and secure indebtednesses payable in monthly, quarterly or annual payments over a period of not less than ten (10) years.

Section 11. Exempt Property. The following Property subject to this Declaration shall be exempt from the Assessments created herein: (a) any portion of the Property dedicated to and accepted by a local public authority; (b) the Common Area; (c) any portion of the Property which is designated and/or reserved for easements; and (d) any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Florida; however, no land or improvements devoted to dwelling use shall be exempt from said Assessments. In addition, Lots owned by the Declarant may be exempt from payment of Assessments during any period of time that Declarant is funding deficits in operating expenses in accordance with Section 12 hereof.

Section 12. Declarant's Right to Fund Deficits in Operating Expenses. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant is in control of the Association, the Declarant shall not be liable for Assessments against such Lots owned by the Declarant, provided that the Declarant funds any deficit in operating expenses exclusive of reserves, cost of capital improvements, and non-budgeted repairs or replacement, as specified in Chapter 720.308(1)(b), Florida Statutes. For the purposes hereof, a deficit shall be computed by subtraction from said operating expenses (exclusive of the items described in the foregoing sentence) all Assessments, contributions, income and other sums and income received or receivable by the Association. The Declarant may at any time commence to pay Assessments to the Lots that it owns and thereby automatically terminate its obligations to fund a deficit in the operating expenses of the Association, or any time or from time to time elect again to fund deficits as aforesaid. When all Lots within the Property are sold and conveyed to purchasers, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments or deficits other than those that arose to prior to such time. Should Declarant, in its sole discretion, elect to fund cash shortfalls caused by delinquencies or other matters which would not otherwise require deficit funds from the Declarant, such funds shall be considered a loan to the Association to be paid back to the Declarant by the Association. The Declarant's rights under this Section 12 shall not be construed as a guarantee of Assessments under Section 720.308(2), Florida Statutes. Nothing contained herein shall create any obligation on the part of the Master Developer to fund deficits

in operating expenses of the Association or pay Assessments to the Association. Obligations of the Master Developer are exclusively set forth in the Master Declaration.

Section 13. Surface Water and Stormwater Management System. The Master Association and/or the CDD will be responsible for assessing and collecting fees for the operation, maintenance, and, if necessary, replacement of the Surface Water and Stormwater Management System which is part of the Master Association's Common Area or owned and operated by the CDD. Fees shall be assessed and collected through Master Assessments or Lot tax bills. In the event the Community contains on-site wetland mitigation requiring monitoring and maintenance, the Master Association and/or CDD should budget and collect sufficient funds for the monitoring and maintenance of the mitigation areas in accordance with the Permit.

## ARTICLE VII

Section 1. Capital Contribution on Sale By Declarant. At the time of a conveyance of a Lot and Home by the Master Developer, Declarant or a Builder to a third party purchaser, each purchaser shall pay to the Association the amount of \$200.00 as a contribution to working capital. These monies (hereinafter called “**Capital Contribution**”) shall be the Association’s property, and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Capital Contribution shall be deemed ordinary Association income and need not be separated from or held or applied differently than Assessments. No refund of a Capital Contribution will be made on re-sale. Notwithstanding the foregoing, the Declarant may elect, in its sole discretion to waive the Capital Contribution on the initial sale of a Lot.

Section 2. Capital Contribution on Sale By Owner Other Than Declarant. At the time of a conveyance of a Lot pursuant to a sale by an Owner other than the Master Developer, Declarant or Builders, each purchaser shall pay to the Association the amount of \$200.00 as a Capital Contribution. The amount of the resale Capital Contribution shall be subject to change from time to time by the Board of the Association. These monies shall be the Association’s property, and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Capital Contribution shall be deemed ordinary Association income and need not be separated from or held or applied differently than Assessments. No refund of a Capital Contribution will be made on re-sale.

## ARTICLE VIII

### ARCHITECTURAL CONTROL

Section 1. Review of Proposed Construction. Subject to Section 2 below and requirements of the Master Declaration, no improvement or alteration of any kind, including, but not limited to, a fence, wall or other addition, structure, or equipment (including exterior paint, roofing, landscaping, antennas, awnings, and shutters) shall be installed, painted, erected, removed or maintained within the Property, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to, and

approved in writing by, a majority of the Board of Directors of the Association and, if required, the ARB of the Master Association. The Board of Directors of the Association shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property and that the appearance of any improvement or other structure affected thereby will be in harmony with surrounding structures and improvements (or the surrounding area contemplated by Declarant, if within the Development Period) and it otherwise desirable. The Board of Directors of the Association may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Board of Directors of the Association may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Board of Directors of the Association may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Board of Directors of the Association of any required plans and specifications, the Board of Directors of the Association may postpone review of any plans submitted for approval. The Board of Directors of the Association shall have forty-five (45) days after delivery of all required materials to approve or reject any such plans. If an Owner's plans are not approved within such 45-day period, said plans shall be deemed not approved; provided, however, if the Owner resubmits the plans and the Owner's plan are still not approved 45 days thereafter, the plans shall be deemed approved. All changes and alterations shall be subject independently to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees. Any alteration or modification to the location and/or placement of exterior walls of any Home shall be further conditioned on compliance with the County ordinances and the obtaining of applicable governmental approvals, if any.

Section 2. No Waiver of Future Approvals. The approval of the Board of Directors of the Association of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board of Directors of the Association, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whether subsequently or additionally submitted for approval or consent.

Section 3. Liability of the Board of Directors of the Association. No member of the Board of Directors of the Association (or Declarant) shall be liable to any Owner or other person by reason of mistake in judgment, failure to point out deficiencies in plans, or any other act or omission in connection with the approval of any plans. Any Owner submitting plans hereunder by the submitting of same, agrees (i) not to seek any damages or make any claim arising out of approval of plans hereunder, and (ii) to indemnify and hold the Board of Directors of the Association, the Association and Declarant harmless from any cost, claim, damage, expense or liability whatsoever, including attorneys' fees and costs at all tribunal and appellate levels (and whether or not suit is instituted), arising out of the approval of any plans regardless of the negligence of the committee members, their representatives, or appointing entity.

Section 4. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required hereunder the applicant for such approval (“**Applicant**”) shall give written notice of completion to the Board of Directors of the Association.

(b) Within thirty (30) days thereafter, the Board of Directors of the Association (or its duly authorized representative) may inspect such completed work. If the Board of Directors of the Association finds that such work was not affected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the Applicant to remedy the same.

(c) If an Applicant is notified of any noncompliance, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board of Directors ruling. If Applicant does not comply with the Board of Directors of the Association ruling within such period, the Board of Directors, at its option, may either remove the noncomplying improvement or remedy the noncompliance (an easement therefore being hereby created), and Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. This amount, together with interest thereon at the rate of eighteen (18%) percent per annum from the date the noncompliance was to have been remedied or removed, the maximum late fee allowed under Florida Statutes for each month that a violation exists if payment is not made within thirty (30) days after announcement, and all costs and reasonable attorneys’ fees incurred by the Association in collection, enforcement or abatement, as appropriate (including attorneys’ fees incurred at all appellate levels and whether or not suit is instituted) shall be a personal obligation of Owner and shall not pass to the successors in title of Owner unless expressly assumed by such successors. Such amount (including interest, costs, late fees and attorneys’ fees as provided above) shall also be a **continuing lien** and run with the land on the Owner’s Property if not paid within thirty (30) days after notice enforceable in the same manner in which mortgages are enforced by foreclosure, or by bringing an action at law or equity against the Owner.

(d) If for any reason the Board of Directors of the Association fails to notify the Applicant of any noncompliance within forty-five (45) days after receipt of written notice of completion from the Applicant, the improvement shall be deemed to have been made in accordance with the approved plans.

Section 5. Variances. The Board of Directors of the Association may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variance must be evidenced in writing and must be signed by at least two (2) members of the Board of Directors of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof

covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the Lot and Home, including, but not limited to, zoning ordinances and lot setback lines or requirements imposed by any governmental or municipal authority.

Section 6. Architectural Review Committee. The Board of Directors of the Association may assign all of its responsibilities under Article VIII to an Architectural Review Committee to be appointed by the Board of Directors of the Association (the "ARC").

Section 7. Declarant's Exemption. Notwithstanding anything to the contrary, this Article does not apply to the Declarant. Notwithstanding anything to contrary, the Declarant shall have the right to approve any of the foregoing for any Builder in lieu of the Association. The Declarant's review and approval of any Builder plans shall be deemed approval of the ARC and the Association and such approval may not be revoked or modified and any modifications of such approved plans shall only require approval of the Declarant. The foregoing shall not act as an exemption to any requirements that apply to the Declarant under the Master Declaration

## ARTICLE IX

Notwithstanding the foregoing, the Master Association Board of Directors shall specifically have the power to either permit additional domestic dogs or

cats to be kept as pets by an Owner if in the determination of such Board of Directors the pets shall not cause or be deemed to constitute a nuisance to any other Owner in the determination of the Master Association Board of Directors. Each person bringing or keeping a pet within the Property shall be absolutely liable to the Association, other Owners and their invitees for any damage to persons or property caused by any pet brought upon or kept upon the Property and it shall be the duty and responsibility of each such Owner to clean up after such animals which have deposited droppings or otherwise used any portion of the Property or public street abutting or visible from the Property. If such coverage is not provided as required herein, the Association shall have the right to require the pet to be removed from the Lot until the appropriate insurance coverage is obtained.

Section 5. Signs. During the time period Declarant owns any Lot within the Property, Owners other than the Declarant shall not display signs of any kind to the public view on any Lot, except one sign not larger than 3" X 5" and placed in one ground floor window or one second story window advertising that property is for sale and except signs used by the Declarant to advertise the Property during the construction and sale of Homes. Once the Declarant has conveyed all Lots it owns within the Property, then the size of the signs can be increased to not more than 18" x 24" to advertise that the property is for sale or rent which sign is to be placed on one ground floor window or one second story window. The foregoing shall not apply to any signs used by the Declarant or Builders to advertise the Property during the construction and sale of Homes.

No tarpaulin covers on vehicles shall be permitted anywhere within the public view. Any trailer, commercial vehicle, recreational vehicle, boat, rowboat, canoe, jet ski or boat trailer shall not be permitted to be parked outside of an enclosed garage. This restriction shall not be deemed to limit service vehicles whose purpose is to perform maintenance and delivery service to the Lot Owners or the Association during normal working hours or for work performed for the Declarant or the Association which are necessary in the development, maintenance or management of the Association. The term "commercial vehicle" includes trucks and vehicular equipment or other vehicles which are used or which are ordinarily intended to be used for commercial purposes or which contain materials regularly used in trade or business. Notwithstanding any other provision in this Declaration to the contrary, the foregoing restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant, or its agents. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein, the Association is authorized to order the towing of any vehicle (at said vehicle owner's expense) for a violation of this Section if a vehicle remains in violation of this Section for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing agent the right to enter a Lot or Common Area and tow vehicles parked in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. An affidavit of the person posting the foresaid notice stating that it was properly posted shall be conclusive evidence of proper posting.

Section 9. Septic Tanks. No septic tanks or individual wells will be permitted on any Lot.

Section 10. Garages. ### COVENANTS RELATING TO FIRST MORTGAGEES

Section 1. The following actions will require the prior written approval of two-thirds (2/3) of the holders of record of Institutional First Mortgages on Lots within the Property, (based upon one (1) vote for each Institutional First Mortgage holder): the abandonment, partition, subdivision, encumbrance, sale or transfer of the Common Area by the Association, other than the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area; a material change in the method of determining the assessments or other charges that may be levied against an Owner; the failure of the Association to maintain fire and extended coverage on any insurable improvements hereafter on the Common Area and any insurable improvements thereon in an amount that shall not be less than one hundred (100%) percent of the insurable value, based on the current replacement costs; the use of the insurance proceeds paid to the Association for any loss to the Common Area, or the improvements thereon, for any purpose other than the repair, replacement or reconstruction of the Common Area and the improvements thereon; the amendment of the Declaration in any manner which materially affects or impairs the rights of an Institutional First Mortgagee; the conveyance, encumbrance or hypothecation in any manner of the Common Area.

Section 2. An Institutional First Mortgage encumbering any Lot in the Property may singly or jointly with other Institutional First Mortgagees: pay the taxes or other charges which are in default and which may or have become a charge against the Common Area; pay overdue premiums on hazard insurance policies for the Common Area; or secure new hazard insurance coverage for the Common Area after lapse of the existing coverage. In the event any Institutional First Mortgagee makes any of the aforementioned payments, such Institutional First Mortgagee shall be entitled to immediate reimbursement from the Association for the payments advanced, and such Mortgagee shall be subrogated to the assessment and lien rights of the Association against the Owners for the repayment of such advance, and the expense of making such reimbursement to the Institutional First Mortgagee shall be deemed a common expense of the Association.

Section 3. No provision of this Declaration shall be interpreted to give an Owner, or any other party, priority over the rights of any Institutional First Mortgagee pursuant to the terms of its Mortgage on any Lot on the Property in the event of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 4. Any Institutional First Mortgagee of a Lot on the Property who obtains title to a Lot pursuant to the remedies provided in said Mortgagee's Institutional First Mortgage on that Lot, or obtains title by deed in lieu of foreclosure, shall not be jointly and severally liable with the prior owner for unpaid assessment or charges accrued against said Lot prior to the acquisition of title to said Lot by such Mortgagee; however, such Mortgagee, or its successors or assigns as a subsequent holder of the first mortgage, acquiring title to a Lot by foreclosure or by deed in lieu of foreclosure, shall be liable for the unpaid Assessments that became due before the mortgagee's acquisition of title in the amount equal to the lesser of (i) the Lot's unpaid Assessments and Special Assessments that accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (ii) one percent of the original mortgage debt on the Lot. The limitations on Assessment liability for Institutional First Mortgagees obtaining title through foreclosure provided by this paragraph apply only if the Institutional First Mortgagee filed suit against the Lot Owner and initially joined the Association as a defendant in the mortgagee foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location that was known to or reasonably discoverable. Institutional First Mortgagees shall be responsible for all Assessments on the Lot as of the date of acquisition, including any Special Assessment or Individual Assessment assessed or coming due after the date of acquisition of title to the Lot.

Section 5. The Institutional First Mortgagee of any Lot on the Property is entitled, upon request, to written notification from the Association of any default in the performance by the Owner of any of such Owner's obligations pursuant to the terms of this Declaration, which default is not cured after sixty (60) days notice to such Owner.

Section 6. The Owner will be jointly

and severally liable with the tenant to the Association for any sum which is required by the Association to affect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. The Board of Directors may by a majority vote establish a requirement that a sum of money not to exceed One Thousand and No/100 (\$1,000.00) Dollars or one month's rent, whichever is greater, be deposited in escrow with the Association as a security deposit for the purpose of covering the cost of any damage to the Common Area or other portions of the Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). The number of occupants must comply with applicable codes regarding the size of the Home. The tenant, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and Regulations and all policies adopted by Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her tenant should the tenant refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such tenant and the costs of the same shall be charged to the Owner as an Individual Assessment. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home. If a Lot or Home is occupied by a tenant and the Owner is delinquent in paying any monetary obligation due to the Association, the Association may demand that the tenant pay to the Association all rental payments becoming due and continue to make such payments until all the monetary obligations of the Owner related to the Lot have been paid in full and the Association releases the tenant or until the tenant discontinues tenancy, in accordance with the terms of Florida law.

The CDD and Master Association are intended to exist in perpetuity; however, should the responsible entity cease to exist, property containing the Surface Water and Stormwater Management System and any other water management portions of Common Area shall be conveyed to the Association or an agency of local government determined to be acceptable by the WMD. If the Association or said agency of local government declines to accept the conveyance, then the Surface Water and Stormwater Management System, property containing the Surface Water and Stormwater Management System and water management portions of the Common Area will be dedicated to a non-profit corporation similar to the Association. Section 2. Amendments Pertaining to Surface Water and Stormwater Management System. Any amendment of this Declaration which would affect the Surface Water and Stormwater Management System or the responsibility of the CDD or Master Association, or its

agents, to maintain, or cause to be maintained, the Surface Water and Stormwater Management System must be approved by the CDD or Master Association and WMD for a determination of whether the amendment necessitates a modification of the Permit. The amendment may not be finalized until any necessary Permit modification is approved.

Section 3. Surface Water Management. No Owner or any other person or entity other than Declarant shall do anything to adversely affect the surface water management and drainage of the Property without the prior written approval of the CDD or Master Association and any controlling governmental authority, including but not limited to the excavation or filling in of any lake or canal, or the changing of the elevation of any portion of the Property, provided the foregoing shall not be deemed to prohibit or restrict the initial construction of improvements upon the Property by Declarant or by the developer of any portion of the Property in accordance with permits issued by controlling governmental authorities. In particular, no Owner other than Declarant or the Association shall install any landscaping, place any fill on a Lot, remove or cut littoral plantings or native vegetation, spray herbicide or grade portions of the Property which would adversely affect the drainage of any contiguous Lot. No construction activities may be conducted relative to any portion of the surface water management system, including but not limited to digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the system as permitted without the consent of the Association or WMD. All recreational activities, including without limitation, boating, swimming, wading or fishing, in water management areas are strictly prohibited.

Section 4. Conservation Easements. The Property, including the Common Areas and some Lots, may contain conservation tracts, wetland preservation areas and upland buffers (collectively, the "Conservation Areas") subject to conservation and preservation easements for same. digging and fencing; (7) acts or uses detrimental to aforementioned retention of land or water easement; and (8) acts or uses which are detrimental to the preservation of any features or aspects of the conservation easements having historical or archaeological significance.

Section 5. Rights of Enforcement. The CDD, Master Association, WMD, the Association, the Declarant and each Owner shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, monitoring, repair and replacement of the Surface Water and Stormwater Management System. Notwithstanding the foregoing, the WMD has the right to take enforcement action, including a civil action for injunction and penalties, against the CDD, Master Association or Association, as applicable, to compel it to correct any outstanding problems with the Surface Water and Stormwater Management System facilities or the mitigation or conservation areas under the responsibility or control of the Association.

Section 6. WMD Permit. The Environmental Resource or Surface Water Management Permit is made part of the Master Declaration or maintained by the CDD, as applicable. Copies of the Permit and any future permit actions of the WMD shall be maintained by the CDD or Registered Agent of the Master Association for the benefit of the Association.
